

Sydenham Cemetery – Martin Burke’s grave

Entrance to Sydenham Cemetery from Roper Street

There is some parking just inside the entrance to Sydenham Cemetery, otherwise you can probably park along Roper Street or Simeon Street.

Martin Burke’s grave is in Section 22B. Go to the cemetery sign with map, and turn left. 22B is the third block along. Walk up the pathway between Blocks 22 and 23, and you’ll find Martin halfway up on the left.
